**TAKE  DOWN  
TOBACCO  
NATIONAL DAY OF ACTION**

## **What is Take Down Tobacco?**

Take Down Tobacco, a fresh take on Kick Butts Day, is the Campaign for Tobacco-Free Kids' signature platform for empowering people to stand up and speak out against the tobacco industry. The Take Down Tobacco program is a 365 day a year effort that culminates every March with the Take Down Tobacco National Day of Action.

This year's Take Down Tobacco National Day of Action will be held on March 18, 2020. This year also marks the 25th occurrence of this event, and there have been many important victories since the first Kick Butts Day was held in 1996.

Over the past quarter century, the U.S. has made remarkable progress in doing just what the Kick Butts Day name describes: kicking butts. But even though youth smoking rates are on a downward trend and at an all time low, skyrocketing youth e-cigarettes rates are reversing the progress we've made toward achieving the first tobacco-free generation. And of course, from cigarettes and cigars to smokeless tobacco to heat-not-burn cigarettes, the tobacco industry peddles a wide range of addictive and dangerous products that put kids at risk across the globe.

On March 18, 2020 the Take Down Tobacco National Day of Action, youth activists, educators, parents, health advocates and concerned citizens come together to organize events that:

- ◆ Raise awareness of the problem of tobacco use in their community
- ◆ Encourage youth to reject the tobacco industry's deceptive marketing and stay tobacco-free
- ◆ Urge elected officials to take action to protect kids from tobacco

The Marion County Health Department in it's efforts to protect kids from tobacco is promoting smoke-free park policies for all community parks in Marion County. In an effort to reduce exposure to second hand smoke to discourage youth smoking and setting a positive role model by the adults for the youth.

*For further information on smoke-free parks, contact Mary Williams at 618-532-6518.*
