# Health Bulletin

*The Mission of the Marion County Health Department is to improve the quality of life through preventing disease and preventative health maintenance.*

## Returning to School During COVID-19

*There are a number of steps schools should take to help prevent the spread of COVID-19. They include:*

**Physical distancing.** The goal should be to stay at least 6 feet apart to help prevent the spread of the virus that causes COVID-19.

Teachers and staff, who are likely more at risk of getting COVID-19 from other adults than from children at school, should stay the full 6 feet apart from each other and students when possible. Teachers and staff should also wear cloth face coverings and limit in-person meetings with other adults.

When possible, outdoor spaces can be used for instruction and meals. Students should also have extra space to spread out during activities like singing and exercising.

**Cloth face coverings and hand hygiene.** Frequent hand washing with soap and water is important for everyone. In addition, all adults and students to wear cloth face masks, unless medically exempt.

**Temperature checks and testing.** Schools must establish ways to identify students with fever or other symptoms of illness. They should also frequently remind students, teachers, and staff to stay home if they have a fever of 100.4 degrees or higher or have any signs of illness.

**Cleaning and disinfecting.** Schools should follow CDC guidelines on proper disinfecting and sanitizing classrooms and common areas. <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/index.html>.

### **Buses.**

Give bus riders assigned seats and require them to wear a cloth face coverings while on the bus. Encourage students who have other ways to get to school to use those options.

### **Remember...**

Returning to school during the COVID-19 Pandemic may not feel like normal—at least for awhile. But having safety plans, and making sure schools have the resources needed to follow them, can help protect students, teachers, staff and families.
