Marion County

Health Bulletin

The Mission of the Marion County Health Department is to improve the quality of life through preventing disease and preventative health maintenance.

Fall and Winter celebrations typically include large gatherings of families and friends, crowded parties, and travel that may put people at increased risk for COVID-19.

Before you celebrate...

If you will be hosting a celebration, follow CDC tips for hosting gatherings at:

www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/personal-social-activities.html#gatherings

www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/holidays.html

Below are some additional considerations for hosting a holiday celebration:

- * Host outdoor activities (if possible) rather than indoor activities.
- * Host activities with only people from your local area as much as possible.
- * Limit numbers of attendees as much as possible.
- * Provide updated information to your guests about any COVID-19 safety guidelines and steps in place to prevent the spread of the virus.
- * Provide or encourage attendees to bring supplies to help you and others stay healthy. For example, extra masks (do not share or swap with others), hand sanitizer that contains at least 60% alcohol, and tissues.
- * If you are planning in-person holiday gatherings with people outside of your household, consider asking all guests to strictly avoid contact with people outside of their households for 14 days before the gathering.
