

HOW TO APPLY

01

Download or pick up at our office a private sewage disposal permit application.

02

Submit application and fee to the Marion County Health Department.

03

If everything is all filled out correctly we will permit your application.

04

Give us a 48 hour notice before your install.

05

Time to install! We will be preset for your installation of your system.

***If all information is not filled out*
completely or correctly on the
application we will not permit it until
it is properly filled out.**
