*This is not an inclusive list, when consulting with schools or companies make sure they are Illinois Department of Public Health ANSI approved courses.

Effective January 1, 2018, Allergen Awareness Training all CFPM's working in a Category 1 "restaurant" (High Risk) must complete additional allergen training using an approved allergen awareness training program. A "restaurant" is defined as any business that is primarily engaged in the sale of ready-to-eat food for immediate consumption. "Non restaurants" that are exempt: for example, grocery stores, convenience stores, daycares, schools, assisted living or long term care facilities.
